**DETAILED ACTION**

**Reasons for Allowance**

1. The following is an examiner's statement of reasons for allowance:

The prior art that the examiner provides for the applicants do not teach an IC with the output circuitry including a tri state buffer having a core input lead connected to a core output lead of the core circuitry, a data output lead connected to an output pad and an enable input lead carrying an enable signal that can place the data output of the tri state buffer in a high impedance state; and comparator circuitry having a core input lead connected to the core output lead and the core input lead of the tri state buffer, an encoded response input lead connected to the output pad and the data output lead of the tri state buffer, and an enable input lead connected to the enable input lead of the tri state buffer.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jimmy Nguyen whose telephone number is (703) 306-5858.
